	TYPE OF DISORDER
1	Disorder in individual perception of reality (e.g., delirium, hallucinations, delusions, etc.)
2	Disorder in individual perception of self (e.g., hypochondria, body dysmorphic disorder, etc.)
3	Disorder in individual perception of others (e.g., paranoia, etc.)
4	Disorder in individual perception of time (e.g., time perception disorder, etc.)
5	Disorder in individual perception of space (e.g., spatial perception disorder, etc.)
6	Disorder in individual perception of objects (e.g., object perception disorder, etc.)
7	Disorder in individual perception of events (e.g., event perception disorder, etc.)
8	Disorder in individual perception of emotions (e.g., emotion perception disorder, etc.)
9	Disorder in individual perception of thoughts (e.g., thought perception disorder, etc.)
10	Disorder in individual perception of actions (e.g., action perception disorder, etc.)
11	Disorder in individual perception of social interactions (e.g., social interaction perception disorder, etc.)
12	Disorder in individual perception of the world (e.g., world perception disorder, etc.)
13	Disorder in individual perception of the future (e.g., future perception disorder, etc.)
14	Disorder in individual perception of the past (e.g., past perception disorder, etc.)
15	Disorder in individual perception of the present (e.g., present perception disorder, etc.)
16	Disorder in individual perception of the self and others (e.g., self and others perception disorder, etc.)
17	Disorder in individual perception of the self and the world (e.g., self and world perception disorder, etc.)
18	Disorder in individual perception of the self and the future (e.g., self and future perception disorder, etc.)
19	Disorder in individual perception of the self and the past (e.g., self and past perception disorder, etc.)
20	Disorder in individual perception of the self and the present (e.g., self and present perception disorder, etc.)
21	Disorder in individual perception of the self and the social interactions (e.g., self and social interactions perception disorder, etc.)
22	Disorder in individual perception of the self and the world and the future (e.g., self and world and future perception disorder, etc.)
23	Disorder in individual perception of the self and the world and the past (e.g., self and world and past perception disorder, etc.)
24	Disorder in individual perception of the self and the world and the present (e.g., self and world and present perception disorder, etc.)
25	Disorder in individual perception of the self and the world and the social interactions (e.g., self and world and social interactions perception disorder, etc.)
26	Disorder in individual perception of the self and the world and the future and the past (e.g., self and world and future and past perception disorder, etc.)
27	Disorder in individual perception of the self and the world and the future and the present (e.g., self and world and future and present perception disorder, etc.)
28	Disorder in individual perception of the self and the world and the past and the present (e.g., self and world and past and present perception disorder, etc.)
29	Disorder in individual perception of the self and the world and the future and the past and the present (e.g., self and world and future and past and present perception disorder, etc.)
30	Disorder in individual perception of the self and the world and the future and the past and the present and the social interactions (e.g., self and world and future and past and present and social interactions perception disorder, etc.)

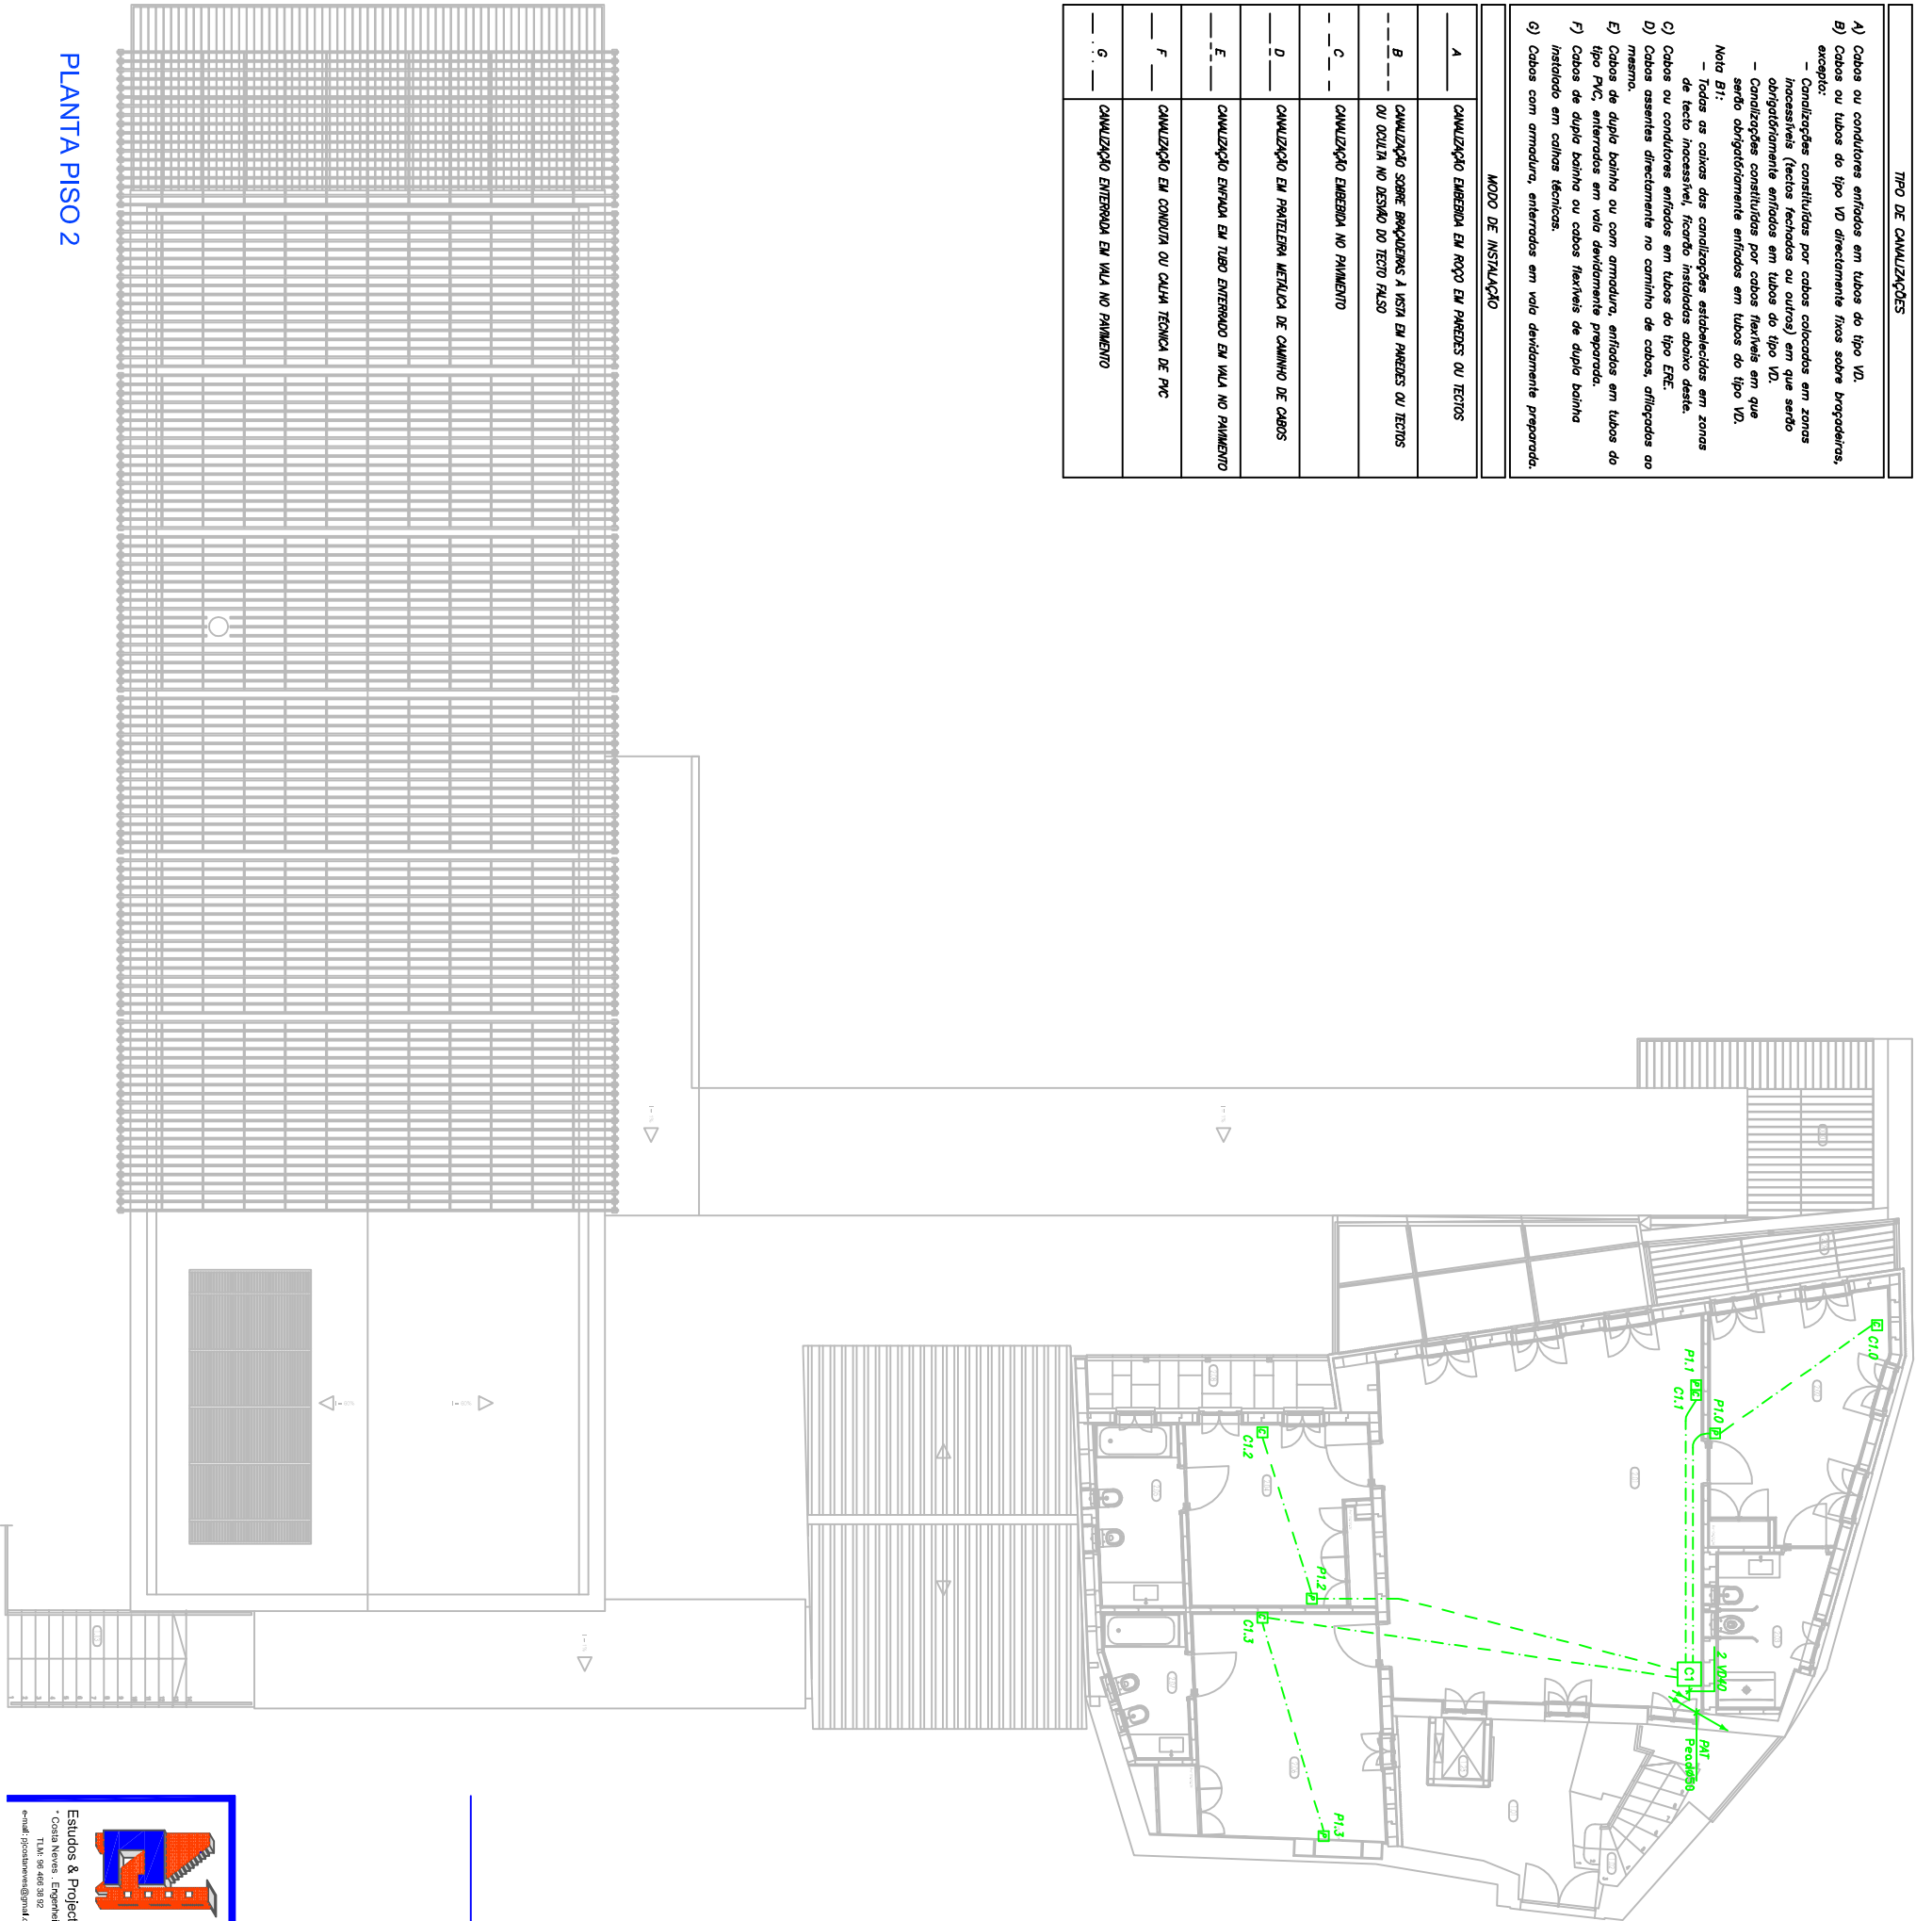

QUESTION	ANSWER
1. What is the purpose of the 'Introduction' section in a research paper?	1. To provide background information and state the research objectives.
2. What is the purpose of the 'Literature Review' section in a research paper?	2. To review existing research and identify gaps in the field.
3. What is the purpose of the 'Methodology' section in a research paper?	3. To describe the research methods and procedures used.
4. What is the purpose of the 'Results' section in a research paper?	4. To present the findings of the study.
5. What is the purpose of the 'Discussion' section in a research paper?	5. To interpret the results and discuss their implications.
6. What is the purpose of the 'Conclusion' section in a research paper?	6. To summarize the main findings and provide final thoughts.
7. What is the purpose of the 'References' section in a research paper?	7. To list the sources of information used in the study.
8. What is the purpose of the 'Appendix' section in a research paper?	8. To provide additional information that supports the main text.
9. What is the purpose of the 'Bibliography' section in a research paper?	9. To list the sources of information used in the study.
10. What is the purpose of the 'Index' section in a research paper?	10. To provide a list of keywords and their locations in the text.
